<p>Web page #2 – (DJ's)</p> <p>Dave Larose, founder of WE ARE made his debut on the Calgary music scene after attending the Shambhala Music Festival back in 2008, inspiring him to create music that blew his hair back and inspired others to feel the way he did. Since then, he has developed his sound, creating thick basslines and mixing tracks he grew up on for the masses to enjoy. After founding the group The Supreme Hustle and touring with them for over a decade, Dave had decided to branch out and start the group WE ARE to cater to a more eclectic sound. Larose looks forward to bigger stages and brighter futures, ready to demolish dancefloors</p>	<p>Picture of Dave Larose goes here with the corporate bio</p>
